

Don't Let Knockoffs Knock You Out. CHOOSE PREMIRA.®

Not all disposable microfiber is created equal.
Some make you work extra hard and don't clean as well.
Contec® Premira® Microfiber Pads & Wipes make cleaning
a breeze.

Why Contec® PREMIRA® Works		Contec®	Imported Knockoffs
	Supporting U.S. Manufacturing. <i>Proudly made in South Carolina of U.S. and imported parts. Faster lead times and quality assured - ISO 9001: 2015 registered. Plant visits are welcome!</i>	✓	✗
	R&D in USA. <i>Innovative new technology being developed right here in the USA.</i>	✓	✗
	Hardware Compatibility. <i>Premira® works best with Contec hardware, but will still be effective with other brands.</i>	✓	✗
	Printed Top Side. <i>EVS techs can easily understand which surface goes to the floor.</i>	✓	✗
	Green Initiatives. <i>Contec utilizes over 27% solar power generated on-site; recyclable textiles and hardware options in development.</i>	✓	✗
	Dimensional Stability. <i>Premira mops have excellent bulk for lay-flat, hands-free application.</i>	✓	✗
	Simplified Process. <i>Easy for anyone to use at any time. Plug and play.</i>	✓	✗
	End User Support. <i>Technical & Sales support staff located strategically around the U.S. Onsite training available.</i>	✓	✗
	Full Product Offering. <i>Contec Professional offers a full range of microfiber products, including hand pads, wipes, high dusters and grossing mops.</i>	✓	✗
	Electronics Safe. <i>Premira® hand pads are compatible with HD flat panel screens and other electronics.</i>	✓	✗
