

This Calls For A **PROFESSIONAL**

Need a Professional? **Contec Can HELP™**

Healthcare-related facilities, without question, are where clean counts most. At Contec, we will guide you through our proprietary H.E.L.P.™ system to find the right solutions for your facility and partner in our shared fight against HAIs. We understand that your staff's productivity depends on efficient operations. That's why we cater to both staff and patient needs alike. From our best-in-class microfiber mopping systems to our Sanotex® wipes and beyond, we have the solutions that will exceed your facility's standards and help set it apart from those still practicing "old school" cleaning and disinfecting methods. You and those you're committing to keeping well deserve better. **This Calls For A Professional!**
